

Dear Fellow Unitholder of InnVest Real Estate Investment Trust

This year's annual meeting of unitholders of InnVest REIT has been scheduled for Tuesday, April 14, 2009 at 4:00 p.m. at the St. Andrew's Club & Conference Centre, 150 King Street West, 16th Floor, Toronto. The meeting is being held earlier than usual in response to a request from Royal Host REIT, a unitholder which sought a special meeting because it is seeking to replace InnVest's four independent trustees with its own nominees.

As well as the usual business of the annual meeting, such as receiving InnVest's consolidated financial statements for 2008 and the appointment of auditors, you will be asked to vote on approval of the Unitholder Rights Plan and – most importantly – the composition of the Board of Trustees who represent your interests as unitholders of InnVest.

The choice you face is very important and is described in the enclosed Proxy Circular. We encourage you to review it before you cast your vote.

Your Board of Trustees unanimously recommends that you:

- **VOTE FOR THE MANAGEMENT SLATE USING ONLY THE BLUE PROXY**
- **DO NOT VOTE FOR THE ROYAL HOST SLATE. IGNORE ANY MATERIALS YOU MAY HAVE RECEIVED FROM ROYAL HOST.**

The reasons for this recommendation are clear and, we believe, compelling. They include:

The Current Board has Considerable Industry Experience

The InnVest Management Nominees have the necessary experience and commitment to continue to work together effectively on behalf of unitholders. They have a diverse background in the Canadian lodging industry as well as in law, real estate development and operations, finance, accounting and business. They have worked together to oversee management's successful implementation of InnVest's strategy since our initial public offering in 2002. The current Board of Trustees has also been instrumental in doubling InnVest's asset size over the past six years, improving InnVest's diversification by geography, segment and brand. InnVest is more than four times larger than Royal Host.

The size and complexity of InnVest requires that it have experienced Trustees who are knowledgeable about the hotel business and InnVest's operations, particularly in the current economic environment. Only one member of the Royal Host Slate has any direct experience in the lodging industry. We believe that this is not the time to put InnVest in inexperienced hands.

The Royal Host Nominees May Have A Conflict Of Interest

Royal Host is a direct competitor of InnVest in the Canadian hotel industry. It would not be in the best interests of InnVest to have hand-picked representatives of the competition provided with access to proprietary information and involved in the strategic decision-making of your REIT. InnVest trustees have a responsibility to serve the best interests of InnVest's unitholders. They cannot do that if they owe the same duty to the unitholders of Royal Host.

Royal Host Is Seeking Control Of InnVest – But Not Paying For It

Royal Host is seeking a majority of the positions on the Board of Trustees. This would give it effective control of InnVest, although Royal Host would own only about 14% of the Units. Normally, acquiring control would require paying a significant premium to the unit price. Royal Host is offering unitholders nothing.

Royal Host's Attempt to Take Control is Highly Opportunistic

By trying to seize control of the Board in the current environment, Royal Host is attempting to take advantage of a faltering economy, seriously weakened credit conditions, and depressed capital markets.

Royal Host Has Not Disclosed Its Intentions

While Royal Host has chosen its nominees, to date it has not provided InnVest unitholders with any information about its plans should it gain control of the Board. Royal Host is asking unitholders to make a critical change to the oversight of their investment without giving unitholders adequate information about where that change might lead.

Royal Host is asking InnVest unitholders to make an unnecessary and potentially dangerous leap of faith and hand over control of their REIT to a competitor –without any compensation. We do not believe that is in your best interests.

We *do* believe it is in your best interests to support the current Board of Trustees and elect the Management Nominees who are committed to continuing to build long-term value for you as an InnVest unitholder.

Sincerely,

[signed]

Kenneth D. Gibson

SOLICITATION OF PROXIES AND VOTING AT THE MEETING

Solicitation of Proxies

This Management Information and Proxy Circular (“Circular”) is furnished in connection with the solicitation of proxies by and on behalf of the management of InnVest Real Estate Investment Trust (the “REIT” or “InnVest” or the “Trust”) for use at the annual and special meeting (the “Meeting”) of unitholders (“Unitholders”) of the REIT to be held on Tuesday, April 14, 2009 at 4:00 p.m. (Toronto time) and any adjournment(s) or postponement(s) thereof for the purposes set forth in the accompanying notice of Meeting (the “Notice”). It is expected that the solicitation will be made primarily by mail, but proxies may also be solicited by telephone or by agents of the REIT. The costs of solicitation will be borne by the REIT. In connection with the solicitation of proxies for the Meeting, InnVest has retained Kingsdale Shareholder Services Inc, (“Kingsdale”) to solicit proxies from Unitholders at an agreed cost of up to \$155,000 plus additional costs relating to telephone calls and expenses.

The Board has fixed the close of business on March 12, 2009 as the record date, being the date for the determination of registered holders of InnVest units entitled to receive notice of the Meeting. Duly executed and completed proxies must be received by the transfer agent, Computershare Investor Services Inc., at the address set out below no later than 5 p.m. (Toronto time) on April 9, 2009 or, if the meeting is postponed or adjourned, no later than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting.

Appointment and Revocation of Proxies

A BLUE proxy is enclosed and, if it is not your intention to be present at the Meeting, you are asked to complete the BLUE proxy included in this Circular and return it in the envelope provided. The proxy must be dated and executed by the Unitholder or the attorney of such Unitholder, duly authorized in writing, or if the Unitholder is a corporation, by an officer or attorney thereof duly authorized. If the proxy is executed by an attorney, a copy of the instrument appointing the attorney must accompany the proxy. Proxies to be used at the Meeting may be deposited with the REIT’s transfer agent, Computershare Investor Services Inc., by no later than 5:00 p.m. (Toronto time) on April 9, 2009, or, if the Meeting is postponed or adjourned, no later than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting, unless otherwise determined by the Chairman of the Meeting in his sole discretion. Proxies sent by mail must be addressed to Computershare Investor Services Inc., 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1.

As discussed below under “Background to the Meeting” and “Business of the Meeting – Election of the Board of Trustees”, a Unitholder of the REIT has made a proposal to replace the independent Trustees of the REIT with its own nominees. MANAGEMENT URGES YOU TO DISCARD ANY MATERIALS YOU RECEIVE FROM THE DISSIDENT UNITHOLDER AND TO USE THE ENCLOSED BLUE PROXY TO VOTE FOR MANAGEMENT’S NOMINEES TO THE BOARD OF TRUSTEES.

The people named in the enclosed BLUE proxy are trustees or officers of the REIT. **A Unitholder has the right to appoint a proxy holder (who is not required to be a Unitholder), other than any person or company designated in the proxy, to attend and act on such Unitholder’s behalf at the Meeting, either by inserting such other desired proxy holder’s name in the blank space provided on the proxy and deleting the names thereon, or by substituting another proper form of proxy.**

A Unitholder who has given a proxy pursuant to this solicitation may revoke it as to any matter on which a vote has not already been cast pursuant to its authority by instrument in writing executed by the Unitholder or by the attorney of such Unitholder, duly authorized in writing, or where the Unitholder is a corporation, by a duly authorized officer

or attorney of the corporation delivered to Computershare Investor Services Inc., in such manner and at such address as specified above, at any time up to and including the close of business on the last business day preceding the day of the Meeting or any adjournment(s) or postponement(s) thereof at which the proxy is to be used, or in any other manner permitted by law.

Trust units of the REIT (“Units”) represented by proxies will be voted or withheld from voting as specified on any ballot that may be called for. The proxy confers discretionary authority upon the persons named therein with respect to (i) each matter or group of matters identified therein where the Unitholder does not specify a choice with respect to any matter to be acted on, (ii) amendments or variations to matters identified in the Notice, and (iii) such other matters as may properly come before the Meeting or any adjournment(s) or postponement(s) thereof. If the Unitholder specifies a choice with respect to any matter to be acted upon, the Units will be voted accordingly. In respect of a matter for which no choice is specified in the proxy, or unless otherwise provided for in the proxy, the nominees named in the accompanying proxy will vote Units represented by the proxy FOR the approval of such matter.

At the date of this Circular, management of the REIT is not aware of any amendments or variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting. **With respect to amendments or variations to matters identified in the Notice or other matters that may properly come before the Meeting, such Units will be voted by the persons so designated in their discretion.**

Voting at Meeting and Quorum

On March 4, 2009, there were 74,434,344 Units issued and outstanding. Each Unit entitles its holder to one vote at meetings of Unitholders of the REIT. Holders of Units of record at the close of business on March 12, 2009, the record date established for notice of the Meeting, will be entitled to vote at the Meeting, or any adjournment(s) or postponement(s) thereof, either in person or by proxy.

Unless otherwise required by law or by the REIT’s declaration of trust (the “Declaration of Trust”), every question coming before the Meeting or any adjournment(s) or postponement(s) thereof shall be decided by the majority of the votes duly cast on the question. The quorum at the Meeting or any adjournment(s) or postponement(s) thereof shall consist of at least two individuals present in person, each of whom is a Unitholder or a proxy holder representing a Unitholder, and who, in the aggregate, hold or represent by proxy not less than 10% of the total votes attached to all outstanding Units.

INFORMATION REGARDING INNVEST REAL ESTATE INVESTMENT TRUST

Principal Holders of Units

To the knowledge of the trustees (the “Trustees”) and the executive officers (the “Executive Officers”) of the REIT, there is no direct or indirect beneficial owner of, nor any person who exercises control or direction over, Units carrying more than 10% of the votes attached to the outstanding Units, other than Royal Host Real Estate Investment Trust (“Royal Host”), which exercises control or direction over 10,406,300 Units, representing approximately 14.0% of the Units.

Interest of Certain Persons or Companies in Matters to be Acted Upon

None of the Trustees or Executive Officers, nor any person who has held such a position since the beginning of the last completed financial year end of the REIT, nor any proposed nominee for election as a Trustee, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of trustees, the appointment of the auditor and as set out herein.

BACKGROUND TO THE MEETING

Kenneth D. Gibson, President and Chief Executive Officer of InnVest, has spoken with George Armoyan, the Chief Executive Officer and President of Clarke Inc. and the Chairman of the Board of Royal Host on occasion over the last several years to discuss the possibility of a strategic transaction between InnVest and Royal Host and related matters. Management and the board of trustees of InnVest (the “Board”) have in the past reviewed whether such a transaction would be in the best interests of InnVest and its Unitholders, and determined at such time that it was not.

Shortly after InnVest’s 2008 annual meeting, in May 2008, Mr. Armoyan met with Majid Mangalji, Chairman of the Board of InnVest. At this meeting, Mr. Armoyan indicated that Royal Host held approximately 9% of InnVest’s Units. Mr. Armoyan put forward a number of ideas regarding InnVest and Royal Host, including various possible strategic transactions involving the two entities and Mr. Armoyan indicated that he typically joins boards in which he invests. Mr. Mangalji indicated that if Mr. Armoyan wished to put forward a specific proposal, the Board would consider it in light of the best interests of InnVest Unitholders. No specific proposal was subsequently made by Mr. Armoyan or Royal Host.

On October 1, 2008, Royal Host issued a press release announcing that it had increased its ownership in InnVest from approximately 9.1% to 13.2%.

On October 8, 2008, Patrick Lambie, then Executive Vice-President of Royal Host, sent a letter (the “Purported Requisition Notice”) to InnVest and each of its Trustees on behalf of Royal Host purporting to requisition a meeting of the Unitholders to consider certain changes to the Board. In the Purported Requisition Notice, Royal Host indicated that it intended to propose the appointment of four new Trustees, all nominated by Royal Host. The Purported Requisition Notice also indicated that Royal Host would withdraw its requisition if InnVest accepted the appointment of Mr. Armoyan as a new Trustee by no later than 5:00 p.m. (Eastern time) on October 15, 2008. The Purported Requisition Notice did not set out the names of the other persons that Royal Host had the intention of appointing as Trustees, nor did it specify whether Royal Host proposed to nominate additional members to the Board or replace existing members. InnVest ultimately considered the Purported Requisition Notice to be invalid because such notice did not provide reasonable detail of the business proposed to be transacted.

YOUR VOTE IS EXTREMELY IMPORTANT. SUBMIT YOUR BLUE PROXY TODAY.**

On October 15, 2008, Mr. Gibson sent a letter to Mr. Lambie acknowledging receipt of the Purported Requisition Notice. Mr. Gibson's letter indicated that InnVest has a process, which is a matter of public record, for considering and proposing individuals as Trustees. This process involves an independent review by the Compensation and Corporate Governance Committee (constituted entirely of independent Trustees), which then makes recommendations to the Board. Mr. Gibson's letter indicated that the Board had requested that the Compensation and Corporate Governance Committee consider Royal Host's request for its nominee, Mr. Armoyan, to become a new Trustee before InnVest's annual general meeting. Mr. Gibson's letter also noted that the Board proposed to deal with Royal Host's request during its next regularly scheduled Board meeting in early November 2008.

On October 22, 2008, Royal Host responded to Mr. Gibson's letter stating that Royal Host did not intend to require that InnVest comply with the October 29 deadline for calling a meeting as had been stated in the Purported Requisition Notice. However, Royal Host stated that if Mr. Armoyan was not appointed to the Board by November 10, 2008, Royal Host would require the Board to promptly comply with the terms of the Purported Requisition Notice.

On November 5, 2008, the Board met and, based on the recommendation of the Compensation and Corporate Governance Committee, decided not to appoint Mr. Armoyan to the Board for essentially the same reasons as the Board now recommends that Unitholders withhold from voting for the Royal Host Slate (as defined below). In making its decision, the Board considered in particular the position of Mr. Armoyan with Royal Host and the inherent conflicts of interest that would result if Mr. Armoyan was a member of InnVest's Board. These concerns were heightened in light of Mr. Armoyan's previous overtures to Mr. Gibson with respect to a possible strategic transaction between Royal Host and InnVest. See "Business of the Meeting – Reasons for the Board's Recommendation – Members of the Royal Host Slate May Have A Conflict of Interest".

At its meeting, the Board also reviewed the Purported Requisition Notice and Royal Host's letter of October 22, 2008 and concluded that the Purported Requisition Notice was not valid because the language in the Purported Requisition Notice was ambiguous and did not provide reasonable detail of the business proposed to be transacted, as required by Section 6.2 of InnVest's Declaration of Trust.

A letter dated November 7, 2008 from Mr. Gibson to Mr. Lambie communicated to Royal Host the Board's decision not to appoint Mr. Armoyan to the Board and its conclusion that the Purported Requisition Notice was invalid based on its deficiencies.

On December 5, 2008, Mr. Lambie sent InnVest and each of the Trustees a notice (the "Requisition Notice") on behalf of Royal Host pursuant to which Royal Host requisitioned a meeting of the Unitholders for the removal of all four of the independent Trustees of InnVest and their replacement by four individuals nominated by Royal Host (the "Royal Host Slate"). The result of this proposal, if successful, would be that the Royal Host Slate would occupy a majority of the seats on InnVest's Board of Trustees.

In response to the Requisition Notice, InnVest announced on December 29, 2008 that its Board had set April 14, 2009 as the date of the annual meeting of Unitholders, when the nomination of the four independent trustees to the Board would be considered. InnVest's annual meeting is typically held in mid-May; however, InnVest accelerated this timing in order to avoid holding both a special meeting in response to the Requisition Notice and InnVest's regular annual meeting within a short time-frame given the considerable investment of management time required and significant costs associated with holding two meetings.

On January 23, 2009, Mr. Mangalji met with Mr. Armoyan. At this meeting, Mr. Armoyan renewed his request to be appointed to the Board. Mr. Mangalji indicated that a formal process was underway, as initiated by Royal Host's Requisition Notice, and that InnVest intended to comply with Royal Host's demand to hold a meeting to nominate its four candidates for election to the Board.

On February 19, 2009, InnVest requested that Royal Host provide InnVest with the notice required by Section 14 of InnVest's Trustees' Regulations by February 27, 2009. Section 14 of the Trustees' Regulations requires a person nominating individuals to the Board to deliver to InnVest certain standard information about such nominees. Royal Host delivered a notice to InnVest on February 27, 2009 in response to this request and the information provided by Royal Host about its nominees in such notice is set forth at Schedule D.

**For questions or assistance, please call Kingsdale toll free at: 1-866-879-7644
YOUR VOTE IS EXTREMELY IMPORTANT. SUBMIT YOUR BLUE PROXY TODAY.**

Neither InnVest nor any of its Trustees or officers assumes, and each expressly disclaims, any responsibility for the accuracy or completeness of the information set forth at Schedule D about the Royal Host Slate, or for any failure by Royal Host to disclose events or facts which may have occurred or which may affect the significance or accuracy of any such information but which are unknown to InnVest.

On March 3, 2009, Mr. Mangalji met with Mr. Armoyan. This meeting did not result in any further developments.

BUSINESS OF THE MEETING

Royal Host, a holder of more than 5% of the outstanding Units of the REIT, has submitted a proposal (the “Unitholder Proposal”) to elect the Royal Host Slate to the Board. Your Board of Trustees unanimously recommends that you submit the enclosed BLUE proxy to vote FOR management’s four nominees for Trustee. Your Board of Trustees unanimously recommends that you REJECT the Royal Host Slate and discard any proxy you may receive from Royal Host. Your vote is very important and the future direction of the REIT is at stake.

USE THE ENCLOSED BLUE PROXY TO VOTE YOUR UNITS FOR MANAGEMENT’S PROPOSED TRUSTEES AND TO WITHHOLD FROM VOTING IN RESPECT OF THE ROYAL HOST SLATE. WE URGE YOU TO DISCARD ANY PROXY YOU MAY RECEIVE FROM ROYAL HOST. NON-REGISTERED HOLDERS THAT WISH TO SUPPORT MANAGEMENT’S PROPOSED SLATE OF TRUSTEES SHOULD CAREFULLY FOLLOW THE INSTRUCTIONS ON THE FORMS THEY RECEIVE AND CONTACT THEIR INTERMEDIARIES OR KINGSDALE AT THE NUMBER LISTED BELOW PROMPTLY IF THEY NEED ASSISTANCE .

Financial Statements

The consolidated financial statements for the fiscal year ended December 31, 2008, together with the auditors’ report thereon, were mailed to the Unitholders with the Notice and this Circular. No vote by the Unitholders is required with respect to this matter.

Appointment of Auditors

The Board of Trustees of the REIT propose that Deloitte & Touche LLP (the “Auditors”) be re-appointed as the auditors of the REIT to hold office until the close of the next annual meeting of Unitholders and that the Board of Trustees be authorized to fix the remuneration of the Auditors. The Auditors were first appointed as auditors of the REIT on July 18, 2002.

Election of the Board of Trustees

Term of Office

The Declaration of Trust provides that the REIT shall have a minimum of five and a maximum of nine Trustees and that a majority of the Trustees must be resident Canadians and independent. Pursuant to the Declaration of Trust, Westmont Hospitality Group, Inc. (“Westmont”) has the right to appoint one Trustee provided that it owns, in the aggregate, at least 5% of the outstanding Units. Westmont Hospitality Canada Limited (the “Manager”) also has the right, under the Declaration of Trust, to appoint one Trustee provided that the master hotel management agreement (the “Management Agreement”) between the REIT, a wholly-owned subsidiary of the REIT and the Manager is in effect and the appointment would not result in a majority of the Trustees not being independent Trustees. Westmont owns more than 5% of the outstanding Units and the Management Agreement is currently in effect; as a result, each of Westmont and the Manager has the right to appoint one Trustee. See “Interests of Informed Persons in Material Transactions – Master Hotel Management Agreement and Other Agreements”. The remaining Trustees are required to be elected by a plurality of the votes cast at a meeting of Unitholders. Westmont is entitled to vote its Units for the election of the remaining Trustees.

As of the date of this Circular, the REIT has six Trustees: Majid Mangalji (Chairman), Fereed Mangalji, Frank Anderson, Morton G. Gross, Michael P. Kitt and Minhas N. Mohamed. One of the Trustees, Majid Mangalji, is an

appointee of Westmont pursuant to the Declaration of Trust and as such, is deemed not to be an independent Trustee and will remain a Trustee for an indefinite term until he resigns, he is replaced by Westmont or the ownership threshold specified in the Declaration of Trust is no longer met. Fereed Mangalji was appointed as a Trustee by the Manager pursuant to the Declaration of Trust and is also deemed not to be an independent Trustee. He will remain a Trustee until he resigns, he is replaced by the Manager, the Management Agreement ceases to remain in effect or his appointment would result in a majority of Trustees not being independent Trustees. The remaining four Trustees are standing for re-election at the Meeting and, if re-elected, will serve until the close of the next annual meeting of Unitholders or until their successors are elected or appointed.

The REIT does not have a retirement policy for its Trustees.

Management Nominees

The Compensation and Corporate Governance Committee (the "Committee") reviews the qualifications of proposed nominees each year and submits its recommendations to the Board for consideration. Based on this recommendation, the persons nominated by management (individually, the "Management Nominees" and collectively, the "Management Slate") described below are, in the opinion of the Board and in the opinion of Committee, best qualified to act as trustees of the REIT for the ensuing year. The Management Slate is comprised of experienced and recognized business professionals with a diverse background in law, real estate development and operations, finance, accounting and business who have worked together to implement InnVest's strategy since the REIT's initial public offering in 2002.

Each of the persons named in the BLUE proxy is a Trustee or officer of InnVest who intends to vote at the meeting for the election of the Management Slate. If, prior to the Meeting, any of the members of the Management Slate becomes unable or unwilling to serve, the persons named in the BLUE proxy will have the right to use their discretion to vote for a properly qualified substitute.

Each Trustee elected at the Meeting or appointed by the Board of Trustees to fill a vacancy on the Board of Trustees thereafter will hold office until the close of the next annual general meeting of the REIT or until the Trustee's successor is elected or appointed and shall be eligible for re-election, unless the Trustee's office is earlier vacated in accordance with the Declaration of Trust.

The persons named below have established their eligibility and willingness to serve as Trustees and will be nominated for election at the Meeting as Management Nominees.

Reasons for the Board's Recommendation

Your Board of Trustees unanimously recommends you vote FOR the election of the Management Slate to the Board and WITHHOLD FROM VOTING for the Royal Host Slate. The reasons for this recommendation include:

The Current Board has Considerable Industry Experience

The Management Nominees have the necessary experience and commitment to continue to work together effectively on behalf of Unitholders. They have a diverse background in law, real estate development and operations, finance, accounting and business. Each of the Management Nominees has considerable experience in the Canadian lodging industry having worked together to oversee the management team's successful implementation of InnVest's strategy since its initial public offering in 2002.

The current Board understands the Canadian lodging industry and has navigated through challenging periods before, including guiding the REIT through the SARS crisis in 2003. The current Board of Trustees has also been instrumental in growing InnVest over the past six years, doubling its total asset size to almost \$2 billion. InnVest holds Canada's largest hotel portfolio with 147 properties diversified by geography, by segments and by brands. InnVest is more than four times larger than Royal Host and only one member of the Royal Host Slate has any direct experience in the lodging industry. Experienced leadership is paramount to address the increasing complexities of an enterprise of InnVest's size.

Experienced Trustees who are knowledgeable about the hotel business and InnVest's operations is required under any market conditions, but particularly now during the current economic uncertainty. The REIT needs Trustees who have a proven track record of working with management for the benefit of Unitholders.

Members of the Royal Host Slate May Have A Conflict Of Interest

Royal Host is a direct competitor of InnVest in the Canadian hotel industry in a variety of respects, including direct competition with hotels in some of the same markets as InnVest, competing for hotel and corporate staff, competing for customer lists, competing for franchise business and, from time to time, competing for the acquisition of hotel assets. It would not be in the best interests of the REIT to have representatives, hand-picked by the competition, provided with access to proprietary information and involved in the strategic decision-making of InnVest.

Trustees have a responsibility to serve the best interests of Unitholders and the REIT. That responsibility cannot be met if a Trustee has the same duty to the unitholders of the REIT's competitor, Royal Host.

Royal Host Is Seeking Control Of InnVest – But Not Paying For It

By nominating four individuals, Royal Host is seeking a majority of the Trustee positions on the Board of Trustees, which would give Royal Host effective control of the REIT despite owning only about 14% of the Units. Royal Host is not offering Unitholders any compensation for acquiring control of the REIT; normally, a significant premium to the unit price would be paid to acquire control. George Armoyan, Royal Host's Chairman of the Board and a member of the Royal Host Slate, has a history of taking "effective control" of companies with 10%-20% equity positions.

Royal Host's Attempt to Take Control is Highly Opportunistic

By initiating a contest for control of the Board at this time, Royal Host is attempting to take advantage of a faltering economy, seriously weakened credit conditions and depressed capital markets.

Royal Host Has Not Disclosed Its Intentions

Royal Host has chosen its nominees, but has not, as of the date of this Circular, provided InnVest Unitholders with any information about its plans for the REIT should it gain control of the Board. Royal Host is asking Unitholders to make a fundamental change to the oversight of their investment, at a critical juncture given the uncertain economic times, without giving Unitholders adequate information about where that change might lead.

In asking for support of its nominees, Royal Host is asking Unitholders to make an unnecessary and potentially dangerous leap of faith that may not be in Unitholders' best interests.

In summary, Unitholders are advised to use the BLUE proxy to vote to maintain their current Board of Trustees, which has worked in Unitholders' best interests and is committed to continuing to build long-term value in InnVest.

Approval of Unitholder Rights Plan

In order to ensure, to the extent possible, that Unitholders are treated fairly in connection with any take-over bid and to ensure that the Board of Trustees is provided with sufficient time to evaluate unsolicited take-over bids and to explore and develop alternatives to maximize Unitholder value, the Board of Trustees determined on October 8, 2008 that it was advisable and in the best interests of the Trust to implement a unitholder rights plan (the "Initial Rights Plan") pursuant to a unitholder rights plan agreement between the REIT and Computershare Investor Services Inc. (the "Rights Agent").

**For questions or assistance, please call Kingsdale toll free at: 1-866-879-7644
YOUR VOTE IS EXTREMELY IMPORTANT. SUBMIT YOUR BLUE PROXY TODAY.**

Unless it is amended, the Initial Rights Plan will expire in accordance with its terms on April 8, 2009; however, the Board of Trustees has determined that it is in the best interests of Unitholders and the REIT that the Initial Rights Plan be amended and restated in order to ensure that the benefits provided to Unitholders pursuant to the plan continue to accrue to Unitholders. Accordingly, the Board of Trustees has approved InnVest's execution, delivery and performance of an amended and restated unitholder rights plan agreement (the "Rights Plan") between the REIT and the Rights Agent. A copy of the Rights Plan will be made available at www.sedar.com and a summary of the proposed terms of the Rights Plan, and the principal differences between the Initial Rights Plan and the Rights Plan, is attached as Schedule C to this Circular. Capitalized terms used but not otherwise defined in this section have the meanings ascribed thereto in the Rights Plan.

Unitholders will be asked at the Meeting to vote on a resolution, the text of which is set out below (the "Rights Plan Resolution"), to ratify the Rights Plan, which is expected to be executed by the REIT prior to the Meeting to ensure that the plan does not lapse. In order for the Rights Plan to continue in effect after the date of the Meeting or any adjournment(s) or postponement(s) thereof, as the case may be, the Rights Plan Resolution must be passed by a majority of the votes cast by Independent Unitholders (as defined in the Rights Plan) who vote in respect thereof. See "– Confirmation by Unitholders", below. At the date of this Circular, the Trust believes that all Unitholders are Independent Unitholders. If the Rights Plan is approved by Unitholders at the Meeting, the REIT will submit the Rights Plan to the Toronto Stock Exchange (the "TSX") for approval.

The Rights Plan is not intended to and will not prevent a take-over of the REIT. If the Rights Plan is approved by the Unitholders, the Board of Trustees will continue to be required to continue to act honestly and in good faith and in the best interests of the REIT and to consider any take-over bid made for the REIT in accordance with this duty.

Objectives of the Rights Plan

The purpose of the Rights Plan is to encourage an offeror for the Units of the REIT either (a) without the prior approval of the Board of Trustees, to make a Permitted Bid (as defined in the Rights Plan) on terms and conditions designed to meet the objectives of the Rights Plan, or (b) to negotiate the terms of its offer with the Board of Trustees. Failure to do either could potentially result in substantial dilution of the offeror's holdings of the REIT.

The purpose of the Rights Plan is to address the following concerns that are generally accepted as inherent to the policy underlying the provisions of legislation governing take-over bids in Canada:

(a) Timing

The Board of Trustees is of the view that 35 days constitutes an insufficient amount of time to permit the Board of Trustees and the Unitholders to assess an offer and for the Board of Trustees to negotiate with the offeror, solicit competing offers and otherwise try to maximize Unitholder value. The Rights Plan will provide that a Permitted Bid must be open for at least 60 days and must remain open for a further period of 10 business days after the offeror publicly announces that more than 50% of the outstanding Units held by Independent Unitholders have been deposited or tendered and not withdrawn.

(b) Pressure to Tender

A Unitholder may feel compelled to tender to a take-over bid which the Unitholder considers to be inadequate due to the fact that if the Unitholder does not tender its Units, the Unitholder may be left with illiquid or minority discounted Units. This concern would be heightened if a partial bid is made for only the number of Units which would allow the offeror to obtain a control position. The Rights Plan will include a mechanism in the Permitted Bid definition which prevents Units from being taken up and paid for under a bid unless more than 50% of the outstanding Units held by Independent Unitholders have been deposited or tendered to the bid and not withdrawn. By requiring a Permitted Bid to remain open for acceptance for a further period of 10 business days following public announcement that this threshold has been reached, a Unitholder's decision to tender to the bid can be separated from the approval or disapproval of the particular take-over bid on its merits.

YOUR VOTE IS EXTREMELY IMPORTANT. SUBMIT YOUR BLUE PROXY TODAY.**

(c) Unequal Treatment of Unitholders

Under applicable securities legislation, an offeror may obtain control or effective control of the REIT without paying full value for the Units it acquires or treating all of the Unitholders equally. For example, a person could acquire one or more blocks of Units by private agreement from one or more Unitholders at a premium to market price, which premium would not be shared with the other Unitholders. In addition, a person could slowly accumulate Units through stock exchange acquisitions which could result, over time, in the person acquiring control or effective control without paying a control premium or sharing any control premium with all other Unitholders. Under the Rights Plan, all offers to acquire 20% or more of the Trust's Units will be required to be made to all Unitholders and to satisfy certain other conditions in order to qualify as a Permitted Bid.

Effect of the Rights Plan

It is not the intention of the Board of Trustees to entrench themselves or prevent a bid for control that is fair and in the best interests of Unitholders. For example, the Rights Plan will provide that Unitholders are entitled to tender to a bid which meets the Permitted Bid criteria without triggering a Flip-in Event under the Rights Plan, regardless of the acceptability of such bid to the Board of Trustees. Furthermore, even in the context of a bid that does not constitute a Permitted Bid, the Board of Trustees would be required to act honestly and in good faith with a view to the best interests of the REIT.

The Board of Trustees believes that the primary effect of the Rights Plan will be to enhance Unitholder value, ensure equal treatment of all Unitholders in the context of any proposed acquisition of control and reduce the pressure on a Unitholder to tender to any proposed bid. The Rights Plan was not approved by the Board of Trustees in response to or in anticipation of any pending or threatened take-over bid and the Board of Trustees is not aware of any third party considering or preparing any proposal to acquire 20% or more of the Units of the REIT.

Confirmation by Unitholders

The Rights Plan will have a maximum term of three years from the date that the Unitholders approve it unless it is renewed by Unitholders of the REIT. If the Rights Plan Resolution is not approved by a simple majority of the votes cast by the Independent Unitholders at the Meeting, the Rights Plan will terminate and be of no further force and effect on the date such vote is held. If the Rights Plan is so approved at the meeting, the REIT will be required to seek the approval of the TSX for the Rights Plan.

The complete text of the Rights Plan will be available upon request following its execution. Unitholders wishing to receive a copy of the Rights Plan should submit their request by telephone to (877) 209-3429, by facsimile to (905) 206-7114, by email to investor@innvestreit.com or by mail to InnVest REIT, Suite 700, 5090 Explorer Drive, Mississauga, Ontario L4M 4T9, attention: Corporate Secretary. The Rights Plan will also be made available on the SEDAR website at www.sedar.com.

The text of the Rights Plan Resolution is as follows:

RESOLVED THAT:

- (1) subject to any required regulatory approvals, the Rights Plan substantially on the terms described in the management proxy circular of the REIT dated as of March 4, 2009 is approved, ratified and confirmed; and
- (2) the execution and delivery by any Trustee or officer of the REIT of any certificates, directions, notices, acknowledgments, documents, agreements and instruments, including, without limitation, the Rights Plan, and the taking of any such other actions determined by such Trustee or officer to be necessary or advisable in connection with the foregoing resolution, are authorized and approved or ratified and confirmed, as the case may be.

Recommendation of the Board of Trustees

The Board of Trustees has concluded that the Rights Plan is in the best interests of the REIT and its Unitholders.

Accordingly, the Board of Trustees unanimously recommends that Unitholders approve the Rights Plan by voting FOR the Rights Plan Resolution at the Meeting. Unless instructed otherwise, the Units represented by the accompanying BLUE proxy will be voted FOR the approval of the Rights Plan Resolution.

Compensation of the Board of Trustees

For fiscal 2008, compensation for all Trustees was composed of (i) annual board fees, (ii) annual retainers for the Chairman and Chairs of committees (“Committees”), and (iii) meeting fees. The annual retainer fee for all Trustees is \$45,000. In addition, the annual retainer fee for the Chairman and Chairs of Committees of the Board of Trustees is \$10,000, except for the Chair of the Audit Committee whose annual retainer fee is \$12,500. Trustees are paid a fee of \$1,000 per Board of Trustees or Committee meeting attended in person and \$500 per telephone meeting. Trustees are not granted restricted units nor are Trustees entitled to annual cash bonuses.

Trustees are paid one half of their annual retainer fee in Units (based on the volumetric weighted average trading price of the last five trading days of the quarter). The REIT has reserved a maximum of 100,000 Units for this purpose and any increase in this maximum is subject to regulatory approval and Unitholder approval, if required. The Trustees’ compensation can only be changed by unanimous consent of the Trustees. In addition, Trustees, either directly or indirectly, are entitled to receive remuneration for services rendered to the REIT in any other capacity. Trustees who are employees of, and who receive salary from, the REIT are not entitled to receive any remuneration for their services as Trustees but are entitled to reimbursement of their out-of-pocket expenses. Other than the payment of one-half of the annual retainer fee being paid in Units, all other fees paid to Trustees are paid in cash. For the year ended December 31, 2008, all fees in relation to Trustee compensation totalled \$416,500 and the REIT reimbursed approximately \$9,765 of the Trustees’ out-of-pocket expenses incurred in connection with Board and Committee meetings.

other information regarding the Audit Committee's functions and policies, and a summary of the fees paid by the REIT for external auditor services are set out under the heading "Audit Committee" in the REIT's Annual Information Form for the year ended December 31, 2008, dated March 4, 2009, available under the REIT's profile at www.sedar.com, and such information is incorporated by reference herein.

Compensation and Corporate Governance Committee

The current members of the Compensation and Corporate Governance Committee are Morton G. Gross (chair), Michael P. Kitt, Minhas N. Mohamed and Frank Anderson, all of whom are independent Trustees. The primary duties and responsibilities of the Compensation and Corporate Governance Committee include: (i) developing the corporate governance policy of the Board of Trustees and (ii) developing the REIT's human resources and compensation policies.

COMPENSATION DISCUSSION & ANALYSIS

Compensation Decision-Making Process

It is the responsibility of the Compensation and Corporate Governance Committee to review and recommend to the Board of Trustees annually the compensation proposed to be paid to Kenneth Gibson, the Chief Executive Officer of the REIT, and Tamara Lawson, the Chief Financial Officer of the REIT (together, the "Named Executive Officers") and to make recommendations to the Board of Trustees concerning annual bonus levels and grants under the REIT's long-term incentive plans. The Compensation and Corporate Governance Committee also reviews such human resources and compensation issues as it considers appropriate, and retains consultants from time to time to provide advice regarding the REIT's compensation strategy and programs.

Objectives of the REIT's Compensation Program

The REIT's objectives for executive compensation are to: (i) attract, motivate and retain key personnel; (ii) link executive compensation to overall REIT performance; and (iii) motivate officers to act in the best interests of Unitholders.

The REIT's compensation program consists of three key elements: (i) base salary; (ii) short-term incentives in the form of a cash bonus; and (iii) equity-based incentives in the form of restricted units. Each of these elements assists in achieving one or more of the REIT's compensation objectives. The REIT believes that this approach best serves the interests of Unitholders by ensuring that executive officers are compensated in a manner that addresses both the short and long-term interests of Unitholders.

The relative mix of total direct compensation, if Named Executive Officers achieve their maximum target performance goals, is established as follows:

Name and Position	Base Salary	Annual Cash Bonus	Equity-Based Incentive	Total Direct Compensation
Kenneth Gibson Chief Executive Officer	42%	29%	29%	100%
Tamara Lawson Chief Financial Officer	50%	25%	25%	100%

Attract, Motivate and Retain Key Personnel

Compensation is a key tool in attracting, retaining and motivating individuals with the skills and commitment needed to enhance Unitholder value. The key elements of the REIT's executive compensation program that are designed to achieve this objective include:

**For questions or assistance, please call Kingsdale toll free at: 1-866-879-7644
YOUR VOTE IS EXTREMELY IMPORTANT. SUBMIT YOUR BLUE PROXY TODAY.**

- The REIT provides competitive overall compensation to attract and retain qualified executives. Base salary, annual cash bonus and equity-based incentives for executives were benchmarked with reference to similar positions in a comparator group at the time of the REIT's formation in 2002 and have been increased in line with inflation since that time.
- The three-year vesting periods of equity-based compensation awards for Named Executive Officers promotes the retention of key personnel. Unvested awards are forfeited in the event of voluntary resignation.
- Both the short-term and equity-based incentives seek to motivate Named Executive Officers by rewarding performance. Under the short-term cash bonus, the percentage of the target cash bonus actually paid is based on the performance of the REIT against pre-determined financial targets as well as personal performance goals for each Named Executive Officer.

Link Executive Compensation to Overall Trust Performance

The compensation paid to Named Executive Officers is aligned with the REIT's overall performance. The key elements of the REIT's executive compensation program that are designed to achieve this objective include:

- The amount of the cash bonus and the value of restricted units awarded is based on the achievement of certain pre-determined financial targets as well as personal performance goals for each Named Executive Officer, each of which is expected to positively impact the REIT's overall performance, though the Board of Trustees has the discretion to alter these awards, as they did with respect to the 2008 awards.

Motivate Officers to Act in the Best Interest of Unitholders

The REIT seeks to align the interests of the Named Executive Officers with those of Unitholders. The key elements of the REIT's executive compensation program that are designed to achieve this objective include:

- A portion of executive compensation is awarded through restricted units. The value of these awards is directly tied to the market price of the REIT's Units. No adjustments have been made to the previous awards of restricted units based on changes in the price of the Units.
- The three-year vesting period for the restricted units also ensures that executive officers are focused on the long-term performance of the Units.

Components of Compensation

Base Salary

Annual base salary levels for the Named Executive Officers were established by the REIT at its initial public offering in 2002 following benchmarking studies performed by independent advisors. Since that time, salaries have been adjusted to reflect inflation. The base salaries paid to Named Executive Officers in 2008 are set out under "Statement of Executive Compensation – Summary Compensation Table for Named Executive Officers". The Compensation and Corporate Governance Committee recommended a 3% salary increase for the Named Executive Officers at the beginning of calendar 2008 reflecting a standard increase to compensate for inflation. In light of current economic conditions, no salary increases have been awarded for the Named Executive Officers in 2009.

The Chief Executive Officer and Chief Financial Officer of the REIT have employment contracts which provide for a specified minimum annual salary subject to such increases as the Board of Trustees determines appropriate. See "Statement of Executive Compensation – Obligations".

Annual Cash Bonus

The Compensation and Corporate Governance Committee recommends the amount of the bonus to be paid and this is determined annually based on (i) pre-set goals that are tied to the REIT's distributable income ("Distributable Income") above specified threshold levels and (ii) the achievement of personal performance goals.

YOUR VOTE IS EXTREMELY IMPORTANT. SUBMIT YOUR BLUE PROXY TODAY.**

A target bonus is established for each executive officer. The Chief Executive Officer's target annual cash bonus is 70% of base salary and the Chief Financial Officer's target annual cash bonus is 50% of base salary. These target bonuses are reviewed by the Compensation and Corporate Governance Committee annually. The target incentive as a percentage of base salary is unchanged from 2007 for the Named Executive Officers.

The target incentive is multiplied by an individual performance factor ranging from 0 to 100% to determine the final incentive payment. If the business does not achieve a minimum performance level, no incentive is paid. The maximum incentive that can be paid to any Named Executive Officer is 100% of the target incentive. The full bonus payable to a Named Executive Officer is awarded only if the target levels of performance are exceeded by at least 10%. The following table outlines the allocation of award based on the achievement of individual targets.

Determination of Annual Cash Performance Bonus	
Target Achievement (% of Target)	Amount of Incentive Awarded (% of Target)
< 75%	0%
75%	75%
100%	90%
>110%	100%

The target for the 2008 annual cash performance bonus awarded to the Named Executive Officers was based on two criteria:

- 75% on achievement of the 2008 budgeted Distributed Income per Unit amount which anticipated growth in Distributable Income per Unit in 2008 over the prior year.
- 25% on certain personal performance goals. Individual goals for the Chief Executive Officer in 2008 included (i) achieving individual hotel performance goals for the portfolio, (ii) executing the REIT's strategic plan, (iii) developing a succession plan, (iv) communicating with investors and (v) improving the performance of underperforming assets. Individual goals for the Chief Financial Officer in 2008 included (i) developing and executing a financing plan, (ii) developing corporate structure alternatives for the REIT in light of upcoming changes to income trusts taxation, (iii) communicating with investors and (iv) satisfying new accounting requirements including internal control testing and the transition to International Financial Reporting Standards.

All compensation plan targets, including budgeted distributable income and personal performance goals, are approved by the Board of Trustees at the beginning of the fiscal year at a level which, if achieved, will help generate value for Unitholders.

The following table sets out the total percentage of the target cash performance bonus achieved for each Named Executive Officer in respect of fiscal 2008.

annual cash performance bonuses paid in respect of fiscal 2008 were limited by the Board of Trustees in light of the general economy and expectations for 2009. The annual cash bonus paid to Named Executive Officers for 2008 is set out under “Statement of Executive Compensation – Summary Compensation Table for Named Executive Officers”. Cash bonuses in respect of 2008 were paid in March 2009.

Equity-Based Incentives

Long-term equity-based incentives compensation, in the form of restricted units, comprises a significant portion of the overall compensation for the REIT’s Named Executive Officers. The Compensation and Corporate Governance Committee believes this is appropriate as it aligns the interests of Named Executive Officers and Unitholders. Pursuant to the REIT’s executive incentive plan (the “Executive Incentive Plan”) as described under “Statement of Executive Compensation – Description of Executive Incentive Plan.”, restricted units are awarded on an annual basis and vest at a rate of 50% on each of the third and fourth anniversary of the date of grant. A restricted unit granted through the Executive Incentive Plan entitles the holder to receive, on the vesting date, the then current fair market value of a Unit plus the value of the cash distributions that would have been paid on such Unit if it had been issued on the date of grant, assuming the reinvestment of distributions paid on such Unit during the period from the grant date until the vesting date. All payments made in respect of vested restricted units under the Executive Incentive Plan are satisfied by the REIT through the issuance of Units.

Each year, the Compensation and Corporate Governance Committee recommends the value of restricted units to be granted to each of the Named Executive Officers, as a percentage of their base compensation, based on their achievement of predetermined criteria. The Chief Executive Officer’s target for equity-based incentive compensation under the Executive Incentive Plan is 70% of base salary and the Chief Financial Officer’s target for equity-based incentive compensation under the Executive Incentive Plan is 50% of base salary. These target awards are reviewed by the Compensation and Corporate Governance Committee annually. The 2008 target incentive as a percentage of base salary is unchanged from 2007 for all Named Executive Officers.

The target equity-based incentive is multiplied by an individual performance factor ranging from 0 to 100% as set out above under “Annual Cash Bonus” to determine the final incentive award under the Executive Incentive Plan. If the business does not achieve a minimum performance level, no restricted units are awarded.

For 2008, the value of restricted units awarded to the Named Executive Officers was based on the same criteria as described under “Annual Cash Bonus”. Board discretion allows for consideration of management’s contribution to drivers of long term value, as well as less quantifiable indications of effort, commitment and retention. Annual restricted units are typically awarded in March of the subsequent year with an effective grant date as at the beginning of that year.

The following table sets out the total percentage of the target equity-based incentive bonus achieved for each Named Executive Officer in fiscal 2008.

Name and Position	Target Restricted Units Award (% of base salary)	Payout Range (% of base salary)	Actual 2008 Restricted Units Award (% of base salary)
Kenneth Gibson Chief Executive Officer	70%	0-70%	35%
Tamara Lawson Chief Financial Officer	50%	0-50%	28%

Notwithstanding the achievement of 86% of target for the budgeted Distributable Income per Unit and the achievement of personal performance goals for each the Chief Executive Officer and the Chief Financial Officer, the value of restricted units awarded in respect of fiscal 2008 were limited by the Board of Trustees in light of the general economy and expectations for 2009. The value of the restricted units awarded to Named Executive Officers for 2008 is set out under “Statement of Executive Compensation – Summary Compensation Table for Named Executive Officers.”

Determination of the number of restricted units awarded is based on the market price of the REIT's Units as at the date of grant. For performance achieved in 2008, 25,500 restricted units were awarded to all employees including the Chief Executive Officer and Chief Financial Officer. Such restricted units were granted as at January 2, 2009.

Unit Performance Graph

Since July 26, 2002, the Units have been listed and posted for trading on the TSX under the symbol "INN.UN". The following graph compares the cumulative total Unitholder return for \$100 invested in Units from December 31, 2003 (assuming distributions are reinvested in Units on the day of the distribution) with the total returns for the S&P/TSX Composite Index and the S&P/TSX REIT Index.

The global capital markets have experienced unprecedented volatility during 2008. InnVest's performance has been impacted by larger macroeconomic and capital market factors which are out of the control of the REIT.

Economically-sensitive investments, such as InnVest Units, have underperformed the broader TSX Composite and REIT Indices. Lodging industry investments have been particularly impacted given that the industry's performance has historically been highly correlated with the state of the economy. A strong economy leads to increasing corporate profits and wages, and encourages increased spending on business and leisure travel. During a period of economic decline, discretionary leisure spending, such as travel, tends to be reduced. Similarly, business travel volumes tend to be reduced along with dampened economic prospects, which results in reduced travel spending.

As previously described, the REIT's objectives for executive compensation include rewarding both short and long term performance. Certain elements of the Named Executive Officers compensation have directly been impacted by

the performance of the Units. Specifically, the value of restricted units awarded to Named Executive Executives, which vest on the third and fourth anniversary from the date of grant, has declined based on the current performance of the Units.

InnVest's financial performance over the period presented has been positive. Over the last five years, distributable income per Unit, on a diluted basis, has improved from \$0.986 in 2004 to \$1.115 in 2008. The base salary for the Named Executives have increased modestly in line with inflation over the periods presented. The annual cash bonus paid to the Named Executive Officers from 2002 through 2007 reflected the REIT's financial performance against its budgeted expectations each year, recognizing that such targets are established at the beginning of each year based on the broader economic environment and its impact on the hotel industry's performance. In determining 2008 cash bonuses and the restricted units to be awarded, the Board considered the general state of the economy and expectations for 2009, resulting in reduced incentive awards to Named Executive Officers for 2008. In addition, the decline in the REIT's Unit price since its peak in 2007 has resulted in the decline in value of restricted units granted to Named Executive Officers over the period presented. Furthermore, in light of current economic conditions, no salary increases were granted to Named Executive Officers for 2009.

STATEMENT OF EXECUTIVE COMPENSATION

Summary Compensation Table for Named Executive Officers

The table below sets forth the compensation paid by the REIT to the REIT's Chief Executive Officer and Chief Financial Officer (the "Named Executive Officers") for services rendered in all capacities to the REIT in respect of the years ended December 31, 2008, December 31, 2007 and December 31, 2006.

Notes:

- (1) Compensation paid by the REIT pursuant to the Named Executive Officers' employment agreements. Mr. Gibson and Ms. Lawson are required to devote at least 50% of their time to managing the affairs of the REIT. See "Allocation of Executive Compensation to the REIT".
- (2) Represents the dollar amount of restricted units awarded for services performed for the corresponding calendar year plus the value of the cash distributions paid on restricted units, assuming the reinvestment of distributions paid during the year. The amounts in this column represent the grant date fair value of restricted units granted and may not represent the amounts the Named Executive Officers will actually realize from the awards. Restricted units awarded for the year were valued based on a fair value of \$4.24 per Unit in 2008, \$10.00 per Unit in 2007 and \$13.70 per Unit in 2006. The restricted unit awards for 2008 and 2006 were valued based on the Unit closing price on the Toronto Stock Exchange on each grant date. The restricted units awarded in respect of the 2007 year were valued based on a Unit price of \$10.00, which represented the value of Units at the REIT's initial public offering. At the date of the 2007 grant, the Units were trading below this value. At the time, the Board did not feel it was appropriate to award restricted units at a value below the initial public offering price of the Units. For each of the years presented, restricted units awarded through the assumed reinvestment of distributions were valued based on the closing Unit price on the date of distributions in each month.
- (3) Mr. Gibson's compensation includes equalization payments made to compensate for the personal taxation difference between what his after-tax income would be in the United States of America as opposed to Canada. The equalization payment is a benefit to which Mr. Gibson is entitled as a result of his employment agreement with the REIT.

Allocation of Executive Compensation to the REIT

Kenneth Gibson and Tamara Lawson are also employed by the Manager. They are compensated separately by the REIT and the Manager for their respective roles. The total base salary paid by the REIT presupposes that each of Mr. Gibson and Ms. Lawson allocate 50% of their time to management of the REIT. The amounts indicated in the summary compensation table for these Named Executive Officers, under “– Summary Compensation Table for Named Executive Officers”, are only in respect of amounts paid to them by the REIT. This approach ensures that each of Mr. Gibson and Ms. Lawson are appropriately compensated for their performance at the REIT and provides better alignment between the Unitholders’ interests and that of these Named Executive Officers.

Obligations

On July 25, 2002, Tamara Lawson and Kenneth D. Gibson, each of whom is a Named Executive Officer, entered into employment agreements with the REIT for an indeterminate term. Each of the Named Executive Officers’ employment agreements provides for the Named Executive Officer’s base salary, performance-based bonuses and benefit commitments by the REIT. Mr. Gibson’s and Ms. Lawson’s employment agreements contain termination and severance provisions, described below, as well as non-competition covenants in favour of the REIT.

Chief Executive Officer

Mr. Gibson’s employment agreement provides for an annual base salary and a proportionate allocation of 50% of Mr. Gibson’s working day to managing the affairs of the REIT, subject to any increase which the Board of Trustees, in its sole discretion, may determine from time to time following its annual review of Mr. Gibson’s base salary.

In addition to his annual base salary, Mr. Gibson is eligible for an annual cash performance bonus and an annual restricted units award, each in an amount up to 70% of base salary and equalization payments made to compensate for the personal taxation difference between what Mr. Gibson’s after-tax income would be in the U.S. as opposed to Canada. The performance criteria and target performance levels for the cash performance bonus are established by the Compensation and Corporate Governance Committee in consultation with Mr. Gibson prior to the beginning of each financial year.

Chief Financial Officer

Ms. Lawson’s employment agreement provides for an annual base salary and a proportionate allocation of 50% of Ms. Lawson’s working day to managing the affairs of the REIT, subject to any increase which the Board of Trustees, in its sole discretion, may determine from time to time following its annual review of Ms. Lawson’s base salary.

In addition to her annual base salary, Ms. Lawson is eligible for an annual cash performance bonus and an annual restricted units award, each in an amount up to 50% of base salary. The performance criteria and target performance levels for the cash performance bonus are established by the Compensation and Corporate Governance Committee in consultation with Ms. Lawson prior to the beginning of each financial year.

Termination and Change of Control Obligations

Chief Executive Officer

If Mr. Gibson is terminated by the REIT without cause or terminates his employment for “good reason” (defined as (i) the assignment to Mr. Gibson of duties materially inconsistent with his position as President and Chief Executive Officer of the REIT which results in a material diminution in his authority, duties or responsibilities, or (ii) any material failure by the REIT to comply with any other terms of Mr. Gibson’s employment agreement that is not remedied within 30 days), Mr. Gibson is entitled to receive any accrued and unpaid base salary, vacation pay and unpaid reimbursements and a lump-sum amount equal to two times his then current base salary, less any amounts owing by Mr. Gibson to the REIT. Mr. Gibson is also entitled to participate in and receive benefits under any benefit plans of the REIT, as well as the Executive Incentive Plan, for one year after the REIT terminates his employment

without cause or Mr. Gibson terminates his employment for good reason. At December 31, 2008, the incremental payments and benefits triggered as a result of Mr. Gibson being terminated by the REIT without cause are estimated to approximate \$560,000. Such estimates are based on Mr. Gibson's base salary and benefits earned in 2008 as well as the number of restricted units vesting through December 31, 2009 (assuming the closing Unit price on December 31, 2008). There are no conditions to Mr. Gibson receiving such benefits upon termination without cause.

Mr. Gibson is not entitled to any payment in connection with termination for cause or resignation (unless such resignation results from a substantive change in the duties or role of Mr. Gibson or the material failure of the REIT to comply with Mr. Gibson's employment agreement). Similarly, a change in control of InnVest does not automatically trigger a termination payment to Mr. Gibson. Upon retirement, Mr. Gibson is entitled to continue to participate in the Executive Incentive Plan with respect to restricted units previously granted pursuant to the plan. At December 31, 2008, the value of Mr. Gibson's unvested restricted units totalled \$177,795 (assuming the closing Unit price on December 31, 2008).

Chief Financial Officer

If Ms. Lawson is terminated by the REIT without cause, Ms. Lawson is entitled to receive any accrued and unpaid base salary, vacation pay and unpaid reimbursements and a lump-sum amount equal to 1.25 times her then current base salary, less any amounts owing by Ms. Lawson to the REIT. Ms. Lawson is also entitled to participate in and receive benefits under any benefit plans of the REIT, as well as the Executive Incentive Plan, for one year after the REIT terminates her employment without cause. As described under "Statement of Executive Compensation – Description of Executive Incentive Plan", those restricted units previously granted to Ms. Lawson and which vest no later than one year following the date of the termination notice will continue to be outstanding and, unless otherwise agreed, all other restricted units will be immediately forfeited. At December 31, 2008, the incremental payments and benefits triggered as a result of Ms. Lawson being terminated by the REIT without cause are estimated to approximate \$275,000. Such estimates are based on Ms. Lawson's base salary and benefits earned in 2008 as well as the number of restricted units vesting through December 31, 2009 (assuming the closing Unit price on December 31, 2008). There are no conditions to Ms. Lawson receiving such benefits upon termination without cause.

Ms. Lawson is not entitled to any payment in connection with termination for cause or resignation. Similarly, a change in control of InnVest does not automatically trigger a termination payment to Ms. Lawson. Upon retirement, Ms. Lawson is entitled to continue to participate in the Executive Incentive Plan with respect to restricted units previously granted pursuant to the plan. At December 31, 2008, the value of Ms. Lawson's unvested restricted units totalled \$85,044 (assuming the closing Unit price on December 31, 2008).

Kenneth D. Gibson	-	\$102,257	\$100,000

Notes:

(1) Calculation is based on a Unit price of \$9.39 which is the closing price on the Toronto Stock Exchange on January 15, 2008, the date the restricted units vested. The restricted units reflect the vesting of 50% of the Units granted in each of 2004 and 2005 as well as Units granted in respect of distributions paid on such vested restricted units.

Description of Executive Incentive Plan

The Named Executive Officers participate in the REIT’s Executive Incentive Plan pursuant to which they may be granted restricted units from time to time. Restricted units vest pursuant to a schedule that has been approved by the Board of Trustees. Each restricted unit entitles the holder to receive a payment on the vesting date of an amount, payable in Units based on their then current market value, equal to the then current market value of one Unit plus the value of the cash distributions that would have been paid on one Unit if it had been issued on the date of grant of the restricted unit, assuming the reinvestment of these distributions in Units. The REIT has reserved a maximum of 1,000,000 Units for issuance under the Executive Incentive Plan, and any increase in this maximum or other amendment to the Executive Incentive Plan is subject to regulatory approval and to Unitholder approval, if required. As at December 31, 2008, there were 181,128 restricted units issued and outstanding, representing 0.2% of the REIT’s currently outstanding Units on an as-converted, fully-diluted basis. The Named Executive Officers are not involved in setting or amending the Executive Incentive Plan. Previous restricted units awarded are not taken into account when considering the award of new restricted units.

Any officer or senior employee of the REIT or a subsidiary of the REIT who has been designated by the Compensation and Corporate Governance Committee and who has agreed to participate in the Executive Incentive Plan on terms specified by the REIT (each such individual, a “Participant”) is eligible to participate in the Executive Incentive Plan. The Executive Incentive Plan gives Participants the right, subject to certain terms and conditions, to receive restricted units on the date stipulated at the time of the grant of the restricted unit, or such date as may be changed from time to time in the discretion of the Compensation and Corporate Governance Committee (the “Payment Date”).

Under the Executive Incentive Plan, if a Participant ceases to be employed by the REIT or any of its subsidiaries for any reason other than death, long-term disability, retirement or is terminated by the REIT for cause, all rights granted to such Participant under all restricted units for which the Payment Date has not yet occurred will immediately be forfeited.

If a Participant ceases to be an employee of the REIT or any of its subsidiaries by reason of the termination of the Participant’s employment by the REIT or its subsidiary other than for cause, any restricted units granted to such Participant for which the Payment Date has not occurred but whose Payment Date will occur no later than one year following the date of the termination notice given to the Participant will continue to be outstanding and, unless otherwise agreed by the REIT or determined by the Compensation and Corporate Governance Committee, all other restricted units will be immediately forfeited.

If a Participant dies or ceases to be an employee of the REIT or any of its subsidiaries by reason of long-term disability or retirement or for any other reason specified by the REIT, in its sole discretion, the Payment Date for all restricted units granted to such Participant will be determined by the REIT in its sole discretion. In this circumstance, the Payment Date will be no later than the original Payment Date for the restricted units and the first year anniversary of the Participant’s death.

- (1) The Executive Incentive Plan was adopted prior to the REIT’s initial public offering, was approved by the Board of Trustees and was the only equity compensation plan of the REIT in existence as at December 31, 2008.
- (2) Restricted units do not have an exercise price, instead recipients are entitled to receive, on the vesting date of a restricted unit, an amount, payable in Units, based on the then current market value of one Unit plus the value of all distributions which would have been paid on such Unit from the date of grant of the applicable restricted unit, assuming the reinvestment of these distributions in Units.

INDEBTEDNESS OF TRUSTEES, EXECUTIVE OFFICERS AND SENIOR OFFICERS

As at the date of this Circular and during the REIT’s financial year ended December 31, 2008, no Executive Officer, Trustee, employee or former Executive Officer, proposed nominee for election as Trustee (or any of their associates) or employee of the REIT was indebted to: (i) the REIT or any of its subsidiaries, or (ii) any other entity which is, or was at any time during the REIT’s financial year ended December 31, 2008, the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the REIT or any of its subsidiaries.

TRUSTEES’ AND OFFICERS’ INSURANCE AND INDEMNIFICATION

The REIT maintains insurance for the benefit of its Trustees and officers against liability in their respective capacities as Trustees and officers. The annual premium paid and expensed by the REIT in respect of such insurance was \$230,701. There is a per loss deductible of \$250,000, a securities claim deductible of \$250,000, and no deductible for claims under this insurance policy for Trustees and officers as it relates to non-indemnifiable claims. As of the date of this Circular, no claim has ever been presented or paid under this policy.

The Declaration of Trust provides that the REIT shall indemnify the Trustees against all liabilities, damages, losses, debts and claims whatsoever, including costs, charges and expenses in connection therewith, incurred by the Trustee in respect of any action to which the Trustee was made a party in relation to the execution of his or her duties as a Trustee, if the Trustee acted honestly and in good faith with a view to the best interests of the REIT or, in the case of a criminal or administrative action or proceeding that is enforced by monetary penalty, the Trustee had reasonable grounds for believing that his or her conduct was lawful.

INTERESTS OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

General

The Declaration of Trust of the REIT contains “conflict of interest” provisions that are intended to provide certain protections to Unitholders without creating undue limitations on the REIT. Given that the Trustees are engaged in a wide range of activities, the Declaration of Trust contains provisions, similar to those contained in the *Canada Business Corporations Act*, that require each Trustee or officer of the REIT to disclose to the REIT the nature and extent of any interest arising due to such person being a party to a material contract or transaction or proposed material contract or transaction with the REIT (including a contract or transaction involving the making or disposition of any investment in real property or a joint venture arrangement) or due to such person being a trustee,

director or officer of, or otherwise having a material interest in, any person or entity who is a party to a material contract or transaction or proposed material contract or transaction with the REIT. Such disclosure is required to be made in writing to the REIT or, by request, to be entered into the minutes of meetings of Trustees at the first meeting at which a proposed contract or transaction is considered or at the first meeting after the time at which such person develops an interest.

In the event that a material contract or transaction or proposed material contract or transaction is one that in the ordinary course would not require approval by the Trustees, a Trustee or an officer of the REIT is required to disclose in writing to the REIT, or request to have entered into the minutes of meetings of Trustees, the nature and extent of his or her interest forthwith after such Trustee or officer of the REIT becomes aware of the contract or transaction or proposed contract or transaction. In any case, a Trustee or officer who has made disclosure to the foregoing effect is not entitled to vote on any resolution to approve the contract or transaction unless the contract or transaction is one relating primarily to his or her remuneration as a Trustee, officer, employee or agent of the REIT or one for indemnity under the provisions of the Declaration of Trust or liability insurance.

The Declaration of Trust contains provisions to address potential conflicts of interest arising between the REIT and any related party. Among other things, the REIT must obtain a valuation in respect of any property that it intends to purchase from or sell to a related party by a valuator engaged by, and prepared under the supervision of, a committee of two or more independent Trustees who have no interest in such transaction. In addition, each transaction between the REIT and a related party must be on commercially reasonable terms and requires the approval of at least 66% of the REIT's independent Trustees who have no interest in such transaction.

Master Hotel Management Agreement and Other Agreements

In connection with the formation of the REIT, the Operator entered into the Management Agreement with the Manager (Westmont Hospitality Canada Limited, 5090 Explorer Drive, 7th Floor, Mississauga, Ontario L4W 4T9), under which the Manager is responsible for the management of the majority of the hotel businesses in the REIT. The Manager manages the hotel businesses and provides customary hotel management services, including preparation of annual operating and capital budgets and marketing plans, accounting and financial reporting, supervision of sales and marketing, human resource management, purchasing, management and supervision of construction and technical services, information technology, franchise relations and evaluations, supervision of property repairs and maintenance, supervision of compliance with material contracts relating to the hotel properties, leasing, yield management and quality control.

The Management Agreement has an initial term of 10 years, and expires on July 25, 2012. Thereafter, the Management Agreement is subject to two successive five-year renewal terms, subject to the consent of the Manager and approval by the Operator. In September 2008, the REIT exercised the first five-year extension term on the Management Agreement, extending the expiry to July 25, 2017. If the REIT acquires any additional hotels during the term of the Management Agreement, the Manager will manage such additional hotels in accordance with the Management Agreement for the balance of the term of the Management Agreement. The Management Agreement is subject to non-competitive arrangements for limited service hotels in Canada, essentially restricting the Manager's ability to acquire and manage competitive limited service hotels in Canada.

The Management Agreement provides for the payment of an annual management fee to the Manager during the term of the Management Agreement, including renewal periods, in an amount equal to 3.375% of gross revenues from the REIT's hotel portfolio (the "Portfolio"), calculated and payable monthly. In addition, the Manager will receive an annual incentive fee. The incentive fee shall be equal to the sum of:

- (i) 15% of the amount by which 90% of Distributable Income in any year exceeds the "First Incentive Fee Hurdle" (as described below) but is less than or equal to the "Second Incentive Fee Hurdle" (as described below);
- (ii) 20% of the amount by which 90% of Distributable Income exceeds the Second Incentive Fee Hurdle but is less than or equal to the "Third Incentive Fee Hurdle" (as described below); and

- (iii) 25% of the amount by which 90% of Distributable Income exceeds the Third Incentive Fee Hurdle.

For this purpose, the First Incentive Fee Hurdle is an amount equal to the product of \$1.125 per Unit multiplied by the weighted average number of Units outstanding during the relevant period. The Second Incentive Fee Hurdle is an amount equal to the product of \$1.275 per Unit multiplied by the weighted average number of Units outstanding during the relevant period. The Third Incentive Fee Hurdle is an amount equal to the product of \$1.425 per Unit multiplied by the weighted average number of Units outstanding during the relevant period. The incentive fee hurdle calculations are subject to customary anti-dilution provisions, primarily to protect the Manager, in the event of certain events including, without limitation, Unit splits, Unit consolidations, and distributions to Unitholders other than in the ordinary course of business resulting from, among other things, refinancings or asset sales. For example, such a distribution would lead to a proportional reduction in the incentive fee hurdles and, conversely, a Unit consolidation would lead to a proportional increase in the incentive fee hurdles.

In addition to the base management fee and incentive fee, the Manager is entitled to (i) reasonable fees based on a percentage of the cost of purchasing certain goods and supplies for the hotel businesses and of certain construction costs and certain capital expenditures, and (ii) fees for accounting services. The Manager is also entitled to be reimbursed for certain reasonable out-of-pocket costs and expenses incurred by the Manager in the performance of its duties under the Management Agreement, provided that such costs have been identified in a budget approved by the Operator or otherwise are approved in writing by the Operator prior to being incurred by the Manager.

In consideration for services rendered in 2008, the Manager was paid approximately \$13.4 million in management fees and approximately \$6.1 million for other services.

CORPORATE GOVERNANCE PRACTICES

Effective corporate governance is a priority for the Board of Trustees. The Board of Trustees have adopted a written mandate for the Board (the "Charter of the Board of Trustees") to confirm and enhance the Board's ongoing duties and responsibility for stewardship of the REIT. A copy of the Charter of the Board of Trustees is attached to the Circular as Schedule A. The Board of Trustees abides by the rules and guidelines adopted by the Canadian Securities Administrators ("CSA") in June 2005 (National Instrument 58-101 — *Disclosure of Corporate Governance Practices* ("NI 58-101") and National Policy 58-201 — *Corporate Governance Guidelines*) (the "CSA Governance Requirements"), which require the REIT to disclose certain information relating to its corporate governance practices. This information is set out in Schedule B to this Circular.

The CSA Governance Requirements set out nine best practices in the following areas: (i) board independence, (ii) the role of the board generally, (iii) the role of the board in the issuer's ethical framework, (iv) board effectiveness, (v) the nomination of trustees and (vi) the setting of execution compensation. The REIT is required to describe certain aspects of its corporate governance practices in its annual information form, including a discussion of any practices that are inconsistent with the CSA Governance Requirements. The REIT also complies with the CSA rules regarding the composition of audit committees (Multilateral Instrument 52-110 — *Audit Committees*) and the certification of an issuer's disclosure controls and procedures (Multilateral Instrument 52-109 — *Certification of Disclosure in Issuers' Annual and Interim Filings*).

In this Circular and in the attached Schedule B, the term "independent" Trustee has the corresponding meaning given to the term "independent" director in NI 58-101; namely, a Trustee who has no direct or indirect material relationship with the REIT which could, in the view of the Board of Trustees, be reasonably expected to interfere with the exercise of the Trustee's independent judgement. A majority of the current Trustees and all of the nominees standing for election as Trustees are "independent" within the meaning of NI 58-101.

CORPORATE GOVERNANCE DISCLOSURE

The REIT believes that effective corporate governance practices are fundamental to the overall success of a company. Effective June 30, 2005, the CSA Governance Requirements require the REIT to disclose its corporate governance practices. The CSA Governance Requirements replaced the corporate governance guidelines of the TSX.

(b) Disclose the identity of trustees who are not independent, and the basis for that determination.	As at December 31, 2008, only two Trustees were not independent. The limits to management's responsibilities are defined by the Board of Trustees. <p>4. to meet their obligations as trustees.

5. Ethical Business Conduct

(a) Disclose whether or not the board has adopted a written code for the trustees, officers and employees. If the board has adopted a written code: (i) disclose how a person or company may obtain a copy of the code; (ii) describe how the board monitors compliance with its code, or if the board does not monitor compliance, explain whether and how the board satisfies itself regarding compliance with its code; and (iii) provide a cross-reference to any material change report filed since the beginning of the issuer's most recently completed financial year that pertains to any conduct of a trustee or executive officer that constitutes a departure from the code.

The Board of Trustees has adopted a Code of Business Conduct and Ethics for the REIT (the "Code") a copy of which may be obtained, upon request, from the Investor Relations Liaison of the REIT, by e-mail, at investor@innvestreit.com or by written request sent to the Investor Relations Liaison at 5090 Explorer Drive, 7th Floor Mississauga, ON L4W 4T9.

The Board of Trustees expects Trustees, officers and employees of the REIT to act ethically at all times and to acknowledge their adherence to the policies comprising the Code. The Code prohibits actions that could be considered a conflict of interest and contains provisions in respect of fair dealing, confidentiality and prohibitions and illegal or unethical behaviour and is discussed at least annually by the Compensation and Corporate Governance Committee.

(b) Describe any steps the board takes to ensure trustees exercise independent judgment in considering transactions and agreements in respect of which a trustee or executive officer has a material interest.

Each Trustee must disclose all actual or potential conflicts of interest and refrain from voting on matters in which such Trustee has a conflict of interest. In addition, a Trustee must excuse himself or herself from any discussion or decision on any matter in which the Trustee is precluded from voting as a result of a conflict of interest. The matter will also be discussed by non-conflicted Trustees of the Compensation and Corporate Governance Committee.

(c) Describe any other steps the board takes to encourage and promote a culture of ethical business conduct.

The Board of Trustees promotes consistent disclosure practices aimed at informative, timely and broadly disseminated disclosure of material information to the market, in accordance with applicable securities legislation and promotes a whistle blowing policy.

The Audit Committee has adopted a whistle blowing policy in order to provide for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters related to the REIT. The policy promotes the confidential, anonymous submission by employees of the relevant entities of concern regarding questionable accounting or auditing matters related to the REIT.

<u>Governance Disclosure Guideline under NI 58-101</u>	<u>Comments</u>
	The REIT has also established a disclosure policy to assist in compliance with requirement to disclose forthwith all material information.
6. Nomination of Trustees	
(a) Describe the process by which the board identifies new candidates for board nomination.	<p>The REIT does not have a nominating committee. The Compensation and Corporate Governance Committee is responsible for identifying individuals qualified to become Trustees and for recommending to the Board of Trustees suitable candidates as trustees.</p> <p>In undertaking this responsibility, the Compensation and Corporate Governance Committee annually assesses the skill sets of the existing Board of Trustees and Committees and identifies any additional skill sets deemed to be beneficial. The Compensation and Corporate Governance Committee, in recommending individuals as trustees, considers any selection criteria approved by the Board of Trustees as well as the competencies and skills of the existing Trustees compared to the competencies and skills the new nominee would bring to the Board of Trustees.</p> <p>If vacancies occur on the Board of Trustees, the Compensation and Corporate Governance Committee (comprised entirely of independent Trustees) recommends nominees to the Board, reviews the qualifications of prospective members and determines their relevance taking into consideration current Board of Trustees composition and the anticipated skills required to round out the capabilities of the Board of Trustees.</p>
(b) Disclose whether or not the board has a nominating committee composed entirely of independent trustees. If the board does not have a nominating committee composed entirely of independent trustees, describe what steps the board takes to encourage an objective nomination process.	See disclosure for 6(a).
(c) If the board has a nominating committee, describe the responsibilities, powers and operation of the nominating committee.	See disclosure for 6(a).

If the board does not have a compensation committee composed entirely of independent trustees, describe what steps the board takes to ensure an objective process for determining such compensation.</p> <p>(c) If the board has a compensation committee, describe the responsibilities, powers and operation of the compensation committee.</p> <p>(d) If a compensation consultant or advisor has, at any time since the beginning of the issuer's most recently completed financial year, been retained to assist in determining compensation for any of the issuer's trustees and officers, disclose the identity of the consultant or advisor and briefly summarize the mandate for which they have been retained. If the consultant or advisor has been retained to perform any other work for the issuer, state that fact and briefly describe the nature of the work.</p>	<p>by the unanimous consent of the Trustees. The Compensation and Corporate Governance Committee, which is composed entirely of independent trustees, annually reviews the level and nature of compensation paid to the Trustees. In making recommendations to the Board of Trustees for appropriate adjustments, the Compensation and Corporate Governance Committee considers the time commitment and risk and responsibilities of serving as a Trustee or officer of the REIT, and seeks to align the interests of the Trustees and officers of the REIT with those of Unitholders.</p> <p>A compensation consultant has not been retained to assist in the determination of compensation for any of the Trustees and officers of the REIT for the 2008 fiscal year.</p>
<p>8. Other Board Committees</p> <p>If the board has standing committees other than the audit, compensation and nominating committees, identify the committees and describe their function.</p>	<p>The Board of Trustees has an Investment Committee, composed of all of the Trustees, whose primary duties and responsibilities include: reviewing and approving or rejecting proposed acquisitions and dispositions of investments by the REIT, authorizing proposed transactions and approving all financial arrangements and the assumption of granting of mortgages.</p>

In such evaluation, the Compensation and Corporate Governance Committee assesses the operation of the Board of Trustees and its Committees, the adequacy of information provided to Trustees, communication processes between the Board of Trustees and management, agenda planning for Board of Trustees and Committee meetings and strategic planning.</p>

SCHEDULE C

SUMMARY OF RIGHTS PLAN

The following is a summary of the proposed terms of the amended and restated unitholder rights plan agreement (the “Rights Plan”) of InnVest that has been approved by the Board. Unless it is amended, InnVest’s existing unitholder rights plan (the “Initial Rights Plan”) will expire in accordance with its terms on April 8, 2009. Therefore, in order to preserve the effectiveness of the rights issued under the Initial Rights Plan, InnVest intends to enter into the Rights Plan substantially on the terms described herein prior to the expiry date of the Initial Rights Plan. The continued effectiveness of the Rights Plan is subject to Unitholder approval as described herein.

This summary is qualified in its entirety by the terms of the Rights Plan, a copy of which will be made available at www.sedar.com. Unitholders should review the Rights Plan in conjunction with their review of this summary and their decision as to whether to vote their Units for the Rights Plan Resolution.

In accordance with the rules of the Toronto Stock Exchange (the “TSX”), InnVest is required to obtain approval from its Unitholders for the Rights Plan. Accordingly, the Rights Plan will terminate if InnVest’s Unitholders do not approve such plan at the annual general and special meeting of InnVest Unitholders to be held on April 14, 2009 (or any postponement or adjournment thereof), as described at “Approval of Unitholder Rights Plan” in this Circular.

Summary of Changes

The following is a list of the principal changes that would be made to the Initial Rights Plan by virtue of the Rights Plan:

- *Threshold.* The threshold that would trigger a Flip-in Event would be increased from 15% to 20%. 20% is generally chosen as the appropriate threshold for shareholder rights plans because it is also the threshold that determines whether a take-over bid has been made under Canadian securities law.
- *Amendments.* Generally, other than amendments to rectify technical deficiencies, amendments to the Rights Plan would be made only with the prior consent of the Unitholders (prior to the Separation Time) or the holders of the Rights (on or after the Separation Time), all as described below.
- *Permitted Lock-Up Agreements.* The Rights Plan would include a provision which would ensure that a potential acquiror that wishes to enter into a lock-up agreement with Unitholders would not trigger a Flip-in Event solely by entering into such agreement, so long as such agreement includes certain specified terms, as described below.
- *Partial Bids.* Contrary to the Initial Rights Plan, the Rights Plan would not require a Permitted Bid to be for 100% of the Units of InnVest.
- *Termination.* In addition to customary termination provisions, the Rights Plan would terminate in the event that it is not approved by a majority of Independent Unitholders at the Meeting or a postponement or adjournment thereof, as the case may be.
- *Definition of “Acting Jointly or in Concert”:* The Rights Plan would not deem agreements, arrangements or understandings, solely relating to the exercise of voting rights to be “acting jointly or in concert” for the purposes of the plan. As a result, Unitholders would not trigger a Flip-in Event under the plan solely by virtue of having an agreement or arrangement, for example, as to how to vote their Units.

Set forth below is a brief description of the principal terms of the Rights Plan (hereinafter referred to as the “Plan”) that has been approved by the Board and is expected to be entered into prior to the expiry date of the Initial Plan. Capitalized terms used but not otherwise defined herein have the meanings ascribed thereto in the Plan, a copy of which will be made available at www.sedar.com.

Issue of Rights

Effective as of 6:00 p.m. (Toronto time) on October 8, 2008 (the “Record Time”), one right to purchase securities (a “Right”) was issued under the Initial Rights Plan in respect of each outstanding Unit to Unitholders of record as of the Record Time. Similar to the terms of the Initial Plan, under the Plan, one Right will be issued in respect of each Unit issued after the Record Time and prior to the earlier of the Separation Time (as defined below) and the expiration time provided for in the Plan.

Exercise of Rights

Under the Plan, the Rights will not be exercisable initially and certificates representing the Rights will not be sent to Unitholders. Until the Separation Time (as defined below), the Rights will be transferred with the associated Units. The Rights will separate from the Units and become exercisable at the close of business on the tenth trading day after the earlier of the first public announcement of facts indicating that a person has acquired Beneficial Ownership (as defined in the Plan) of 20% or more of the Units or the commencement of, or first public announcement of, the intent of any person to commence a take-over bid which would result in such person Beneficially Owning 20% or more of the Units (other than a Permitted Bid or a Competing Permitted Bid, as such terms are defined in the Plan), or such later time as the Board of Trustees may determine in good faith (in any such case, the “Separation Time”). After the Separation Time, but prior to the occurrence of a Flip-in Event (as defined below), each Right may be exercised to purchase one Unit at an exercise price per Right of \$32.00 (the “Exercise Price”), approximately five times the market price per Unit on October 8, 2008, the date that the Initial Rights Plan was adopted.

The exercise price payable and the number of securities issuable upon the exercise of the Rights will be subject to adjustment from time to time upon the occurrence of certain corporate events affecting the Units.

Flip-in Event

Subject to certain customary exceptions, upon the acquisition by any person (an “Acquiring Person”) of 20% or more of the Units (a “Flip-in Event”) after the Separation Time, each Right, other than a Right Beneficially Owned by an Acquiring Person, its affiliates and associates, their respective joint actors and certain transferees, will be entitled to be exercised to purchase that number of Units which have a market value equal to two times the Exercise Price of the Rights. Rights beneficially owned by an Acquiring Person, its affiliates and associates, their respective joint actors and certain transferees will be void.

The Plan will provide that a person who was the Beneficial Owner of 20% or more of the outstanding Units determined as at the Record Time is not an Acquiring Person unless, after the Record Time, that person becomes the Beneficial Owner of additional Units.

In addition to the foregoing, the Plan will include a provision which will ensure that a potential acquiror that wishes to enter into a lock-up agreement with Unitholders will not trigger a Flip-in Event solely by entering into such agreement, so long as such agreement includes certain specified terms, including that it permit the locked-up Unitholder to withdraw its Units to tender to a competing bid or transaction if (i) the offering price or value of the competing bid or transaction that exceeds that of the original bid, (ii) the amount of Units offered to be purchased pursuant to the competing bid or transaction exceeds the number of Units subject to the original bid by a specified amount that may not be greater than 7%, and (iii) the lock-up agreement does not provide for any break-up fees, top-up fees or other expenses that exceed 2.5% of the price or value payable to the locked-up Unitholder under the terms of the original bid.

Permitted Bids

The Plan will not be triggered by a Permitted Bid or Competing Permitted Bid. A Permitted Bid will be defined as one that: (i) is made by means of a take-over bid circular, (ii) is made to all holders of Units; (iii) is open for at least 60 days; (iv) contains a condition that no Units will be taken up and paid for until at least 50% of the Units held by the Independent Unitholders have tendered and not withdrawn, (v) contains a condition that Units

may be deposited at any time and withdrawn until they are taken up and paid for, and (vi) contains a provision that if, on the date on which the Units may be taken up and paid for, more than 50% of the Units held by the Independent Unitholders have been deposited or tendered and not withdrawn, the bidder will make a public announcement to that effect and keep the bid open for at least ten more business days following such announcement.

Redemption, Waiver, Termination and Amendment

(a) Redemption

Under the Plan, the Rights may be redeemed by the Board of Trustees at a redemption price of \$0.0001 per Right at any time prior to the occurrence of a Flip-in Event with the prior consent of the holders of Units or Rights. The Board of Trustees will be deemed to have elected to redeem the Rights if a person who has made a take-over bid in respect of which the Board of Trustees has waived the application of the Plan takes up and pays for Units pursuant to the terms and conditions of such take-over bid.

(b) Waiver

The Board will be entitled to waive the application of the Plan prior to a Flip-in Event that would occur due to the acquisition of Units other than pursuant to a take-over bid made by means of a bid circular to all registered holders of Units with the prior approval of the Unitholders. In such event, the Board will be required to extend the Separation Time to a date subsequent to and not more than ten business days following the meeting of the Unitholders called to approve the waiver. The Board will also be entitled to waive the application of the Plan prior to a Flip-in Event that would occur as a result of a take-over bid made by way of a take-over bid circular to all registered holders of the Units, provided that if such waiver is made, the Board would be deemed to have waived the application of the Plan to any other Flip-in Event occurring by reason of any take-over bid made by means of a take-over bid circular to all registered holders of Units. In addition, the Plan may be waived where a person has inadvertently become an Acquiring Person and has reduced its beneficial ownership of Units such that it is no longer an Acquiring Person.

(c) Termination

The Plan will terminate if it is not ratified by a resolution passed by a simple majority of the Independent Unitholders at InnVest's annual and special meeting to be held on April 14, 2009 (or any adjournment or postponement thereof, as the case may be). Provided that the Plan is approved by the Independent Unitholders, the Plan will terminate on the earlier of the third anniversary of the date that the Independent Unitholders approved the Plan (*ie.*, April 14, 2012, assuming that the Meeting is not adjourned or postponed) and the date that the Board of Trustees elects or is deemed to have elected to redeem the Rights and the Plan is terminated in accordance with its terms.

(d) Amendment

Under the Plan, InnVest will be entitled to make amendments to the Plan without the prior approval of the Unitholders to correct clerical or typographical errors to the Plan or to maintain the validity of the Plan as a result of changes in applicable legislation, rules or regulations, provided that holders of the Units or the Rights, as the case may be, will be required to ratify any amendments made to maintain the validity of the Plan. Other amendments to the Plan may be made (a) if the amendment is proposed to be made prior to the Separation Time, with the prior consent of the Independent Unitholders, or (b) if the amendment is proposed to be made after the Separation Time, with the prior consent of the holders of the Rights.
